Just received this. I feel certain I am receiving this because Barbara Chisko of Birthright wants money. We have not done anything this state fiscal year regarding AtoA, but will once we can come up for air. I have no idea how much money is in this fund. Years ago, we were given \$39k a year, but were told that the resolving fund would no longer be funded and that we were to spend the account down to \$0. Last year we gave \$5k to Deaconess and that was our only contract.

I will ask how much is in that account. Once I get an answer, I will respond and copy you. - AJ

Ms. Jacobi: Please let me know the balance in the Alternatives to Abortion Fund; what if any obligations the Fund currently has to pay; and when the annual deadline is for qualified entities to apply for funds. Thank you.
